

Have you made your will yet?

Whatever your age, having an up to date will is the only way to ensure that your family, friends and the causes you support are provided for when you die.

If you die without a will:

- **Your hard earned assets will go to those dictated by the law and not to those you may wish them to go to.**
- **If you are not married your partner will not inherit from you automatically.**
- **If you have children then you will have no control over what happens to them.**
- **We will make the process as easy as possible for everybody concerned.**

Peter Brown, your local will-writer, can answer any questions you may have.

Whether you have a young family, are approaching retirement or in your senior years call today on **023 8069 3172** or email **peter@wills-eps.co.uk** for a **free**, no-obligation consultation.

It may well be the most important and reassuring call you'll make this year.
